

Arabic 2  
**Recipe Presentation**

On Monday, in class, you will give an informal presentation in Arabic about a well known dish in the Arab world. Use Friday's class to collect your materials and practice your presentation. You may work individually, or in pairs. Each student needs to present 1 dish. If you are working in pairs you must present 2 dishes.

Using the web and, in particular, the embassy websites OR the cookbooks available in the classroom collect the following information:

- 1) Name of the dish in Arabic
- 2) Name of country where it is eaten/ famous
- 3) Is the dish eaten on a particular special occasion?
- 4) Description of ingredients in Arabic
- 5) Are there specialty ingredients with which you are unfamiliar?
- 6) Find a recipe for this dish in Arabic.
- 7) Is the dish available in DMV Restaurants? If so, where?
- 8) 3-5 new vocabulary words
- 9) Pictures of the dish (nice ones, please that will make us hungry!)
